For our Russian Speaking Families: Уважаемые родители, если вам нужна помощь в переводе этого информационного бюллетеня, у вас есть какие-либо вопросы, проблемы или вам нужна дополнительная информация о PCSNW, у вас есть возможность сделать это, связавшись с нашим секретарем Дианой Лозовик (360)318-1347 или, Надя Горун (360) 201-5292. Большое спасибо за то, что вы есть частью нашей школы!

We're mid-way through the month of October! WOW! Here's some Wednesday Words!

**Seeking a church or facility** where we could have an all-school Thanksgiving Feast and our Christmas Program! If you can help us find a location (preferably at no cost, if possible), we'd appreciate it! Please let Scott know if your church or facility is willing to host!

**Pizza Day (Tuesdays)** still is having some hiccups...here are some of the latest: money sent in ziplocks with no forms, forms that are hard to read, money amount not matching order, siblings orders without payments. We have a new form going out that will hopefully clear up some problems – and know that if you would like to write a check or pay cash that would cover several weeks or months...you can – just pop in the office and we'll take care of this for you!

**School Picture Update:** We had some updates to the order form that didn't make it to families. Here are some updates: 1. If you want to purchase package a, b, or c – you can buy a digital copy for \$20.00 extra. 2. If you would like a sibling picture, you can get two 5x7s for \$20.00 or one 8x10 for \$20.00. 3. If you didn't know – picture orders are a fundraiser...Mrs. Slesarchuk is a parent and donating her awesome photographing services for free! She does such a fantastic job!

**Poinsettia Fundraiser** is in full gear! Each family should have their one envelope by now (handed out last week to the oldest student in your family). Remember to document orders and collect funds – envelopes and funds are due on Tuesday, November 2<sup>nd</sup>. There are red, pink, white, and jingle bell (white & red) poinsettias (6 inch) - \$11 each.
