For our Russian Speaking Families: Уважаемые родители, если вам нужна помощь в переводе этого информационного бюллетеня, у вас есть какие-либо вопросы, проблемы или вам нужна дополнительная информация о PCSNW, у вас есть возможность сделать это, связавшись с нашим секретарем Дианой Лозовик (360)318-1347 или, Надя Горун (360) 201-5292. Большое спасибо за то, что вы есть частью нашей школы!

School-Wide Goals have been posted on each classroom door and at the entrance of the school – it is a product of our in-service that we had last Thursday (Jan 27) and will be followed up on Thursday, February 10 when we have a Professional Development Day with the Staff & Board (mark your calendars for NEXT Thursday – no school for students). I was pondering this list of goals:

- 1. Build a passion for Christ. (Colossians 2:5-7)
- 2. Be a good representation of Christ. (2 Corinthians 5:20)
- 3. Be ready to learn. (Titus 3:14)
- 4. Strive for academic excellence. (Colossians 3:23)
- 5. Show unconditional love and kindness. (John 13:34)
- 6. Be good stewards. (Galatians 6:10)
- 7. We say, "I'm sorry." And forgive others. (Ephesians 4:32)

...and thinking that reading them is good, talking about them is better, DOING them is best. I am challenging our staff to make these goals come alive in the students and I am challenging YOU to do the same at home – as the verse in Deuteronomy encouraged (see "Letter to Parents – Student Wide Goals" in the Newsletter tab on our website)...talk about them all day and post them where they can be seen – so many of these goals will be more achievable if we work together on them!

Did you fill in the Re-Enrollment 2022-2023?

To date, I have 10 families who filled out the form – that's about 1/5 of our families. It'd be great to have all families respond by the Monday, February 7, 2022 deadline (this allows us to process responses for the Board Meeting on Tuesday) – here's the link:

Want your voice heard? The State Board of Health has a survey regarding adding the Covid vaccine to the immunization requirements at school. The last survey had a limit of 5,000 responses and it was maxed out before the deadline. This new link ends at 6:00 p.m. tonight (Feb 2, 2022) – so, if you haven't filled it in, please do today:
