Next week Monday, Pre-K and 1st-12th Grade will be beginning classes (Kindergarten starts Tuesday)...and we are so looking forward to having students back on campus for the 2022-2023 academic year! We will introduce our theme for the year at our opening assembly on the astroturf (weather permitting) on Monday (August 22)! If you'd like to join us, please do & bring a camping chair!

As you might have heard, our Administrative Assistant quit on Monday (August 15) and so we are trying our best to make sure we are ready for next week! Mrs. Teresa Anker will be "filling in" till we have a chance to interview applicants. If you or someone you know is interested in the position, please check out our "Employment Opportunities" on our website: <https://pcsnw.org/employment-opportunities/>

We have a Work Bee are being planned for this Saturday (August 20) and we need people to plan on coming and bringing whatever equipment they have on hand (in case the school does not have the tool/etc.)

This is a great way to get your volunteer hours done (40 hours per family) – you don't need to come for the whole time but do plan on participating...many hands make light work. Some teachers will likely be there too – so you can meet them if you are new to PCSNW! Questions? Call or text Jon Taylor at 360-595-3458

There will be Pizza(free)!! Yahoo!

It should be uploaded soon (look for "Updated August 3, 2022" in the top right corner for the most up-to-date list). This list reflects the new class configurations and what each student needs to bring on the first day of school. If you'd like a list, stop in the office or call/email to get a list sent to you.
